

“I honestly can say that if it were not for WARM, I don’t know where my family and I would be. The Pantry side has helped me tremendously...while Life Coaches helped me take more control of my life.

WARM believed in me and pushed me when I needed it most. The staff cares about my children and me. They know us by name, not by number. God has blessed me with them in my life.” AC

“It was a long road to your door, but you welcomed me and my family without judgment. During the past year, you have provided more than staples for the cupboards. The moral support, encouragement, and spiritual guidance helped me keep going when I was struggling. You not only help feed the body, you provide real resources to fix broken lives, a real hand up, not just charity.” JT

“All the folks at WARM make me feel human again. It is so uplifting to have the people at WARM to help me cope (with the loss of his job). They build up my spirit with others in society seem to be looking down on me.” KD

“From the moment I walked in that door to the WARM offices, I was uplifted. Everything at WARM, from the people to the programs to the furnishings – everything there just wraps you up in love and encouragement. They don’t just fill the physical needs I have; they fill my spiritual emotional needs. They encourage me.” MB
